THE LIVER INVIGORATOR

PREPARED BY DR. SANFORD Compounded Entirely from Gums, IS ONE OF THE BEST FURGATIVE and Liver medicines now before the public, that acts as a cathagelo, easier, miller and soore effectual than any other medicine known. It is not only a Catharite, but a Liver remody, acting first on the Liver to eject the morbid matter, then on the stomach and howele to earry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operation of most Catharties. It strengthens the system at the same time that if purpose it, and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.
